Chapter 1 (APPLICATION AND REGISTRATION)

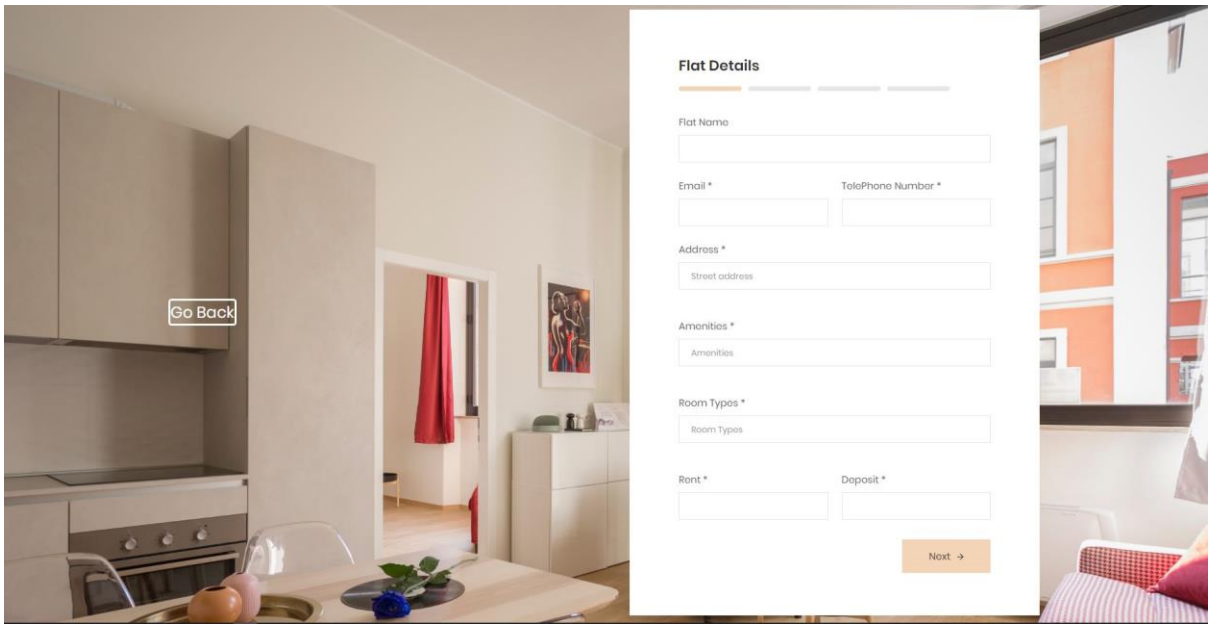

SECTION 1.1(APPLICATION FORM)

Subsection 1.1a. (filling application form)

Given that you have created a user account with us and you are already logged in in to the system, quickly navigate to https://prop-centralsa.co.za/flats/FlatApplication then scroll until you see the button in the image bellow.

Now click on the apply now button, note that to continue from here you must be logged in otherwise you will be redirected to the login page where you can log in or create an account.

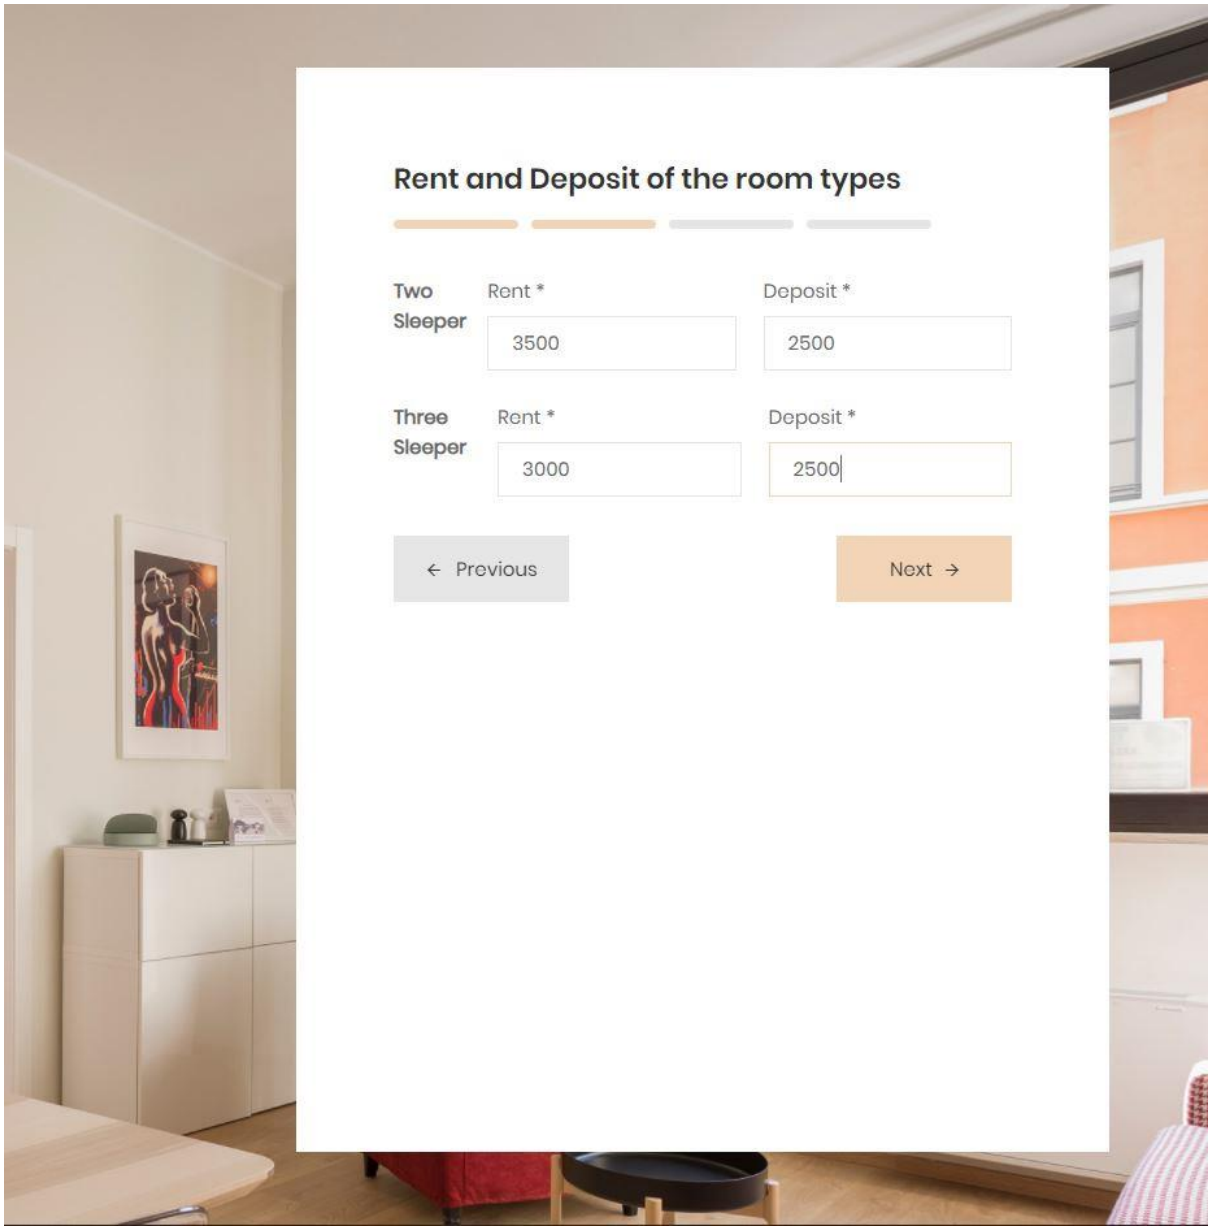

The flat application form should show up just like in the image above, now fill in the application then click on next. Make sure that all the fields marked with a star are filled because they are required.

Subsection 1.1b. (add renting prices)

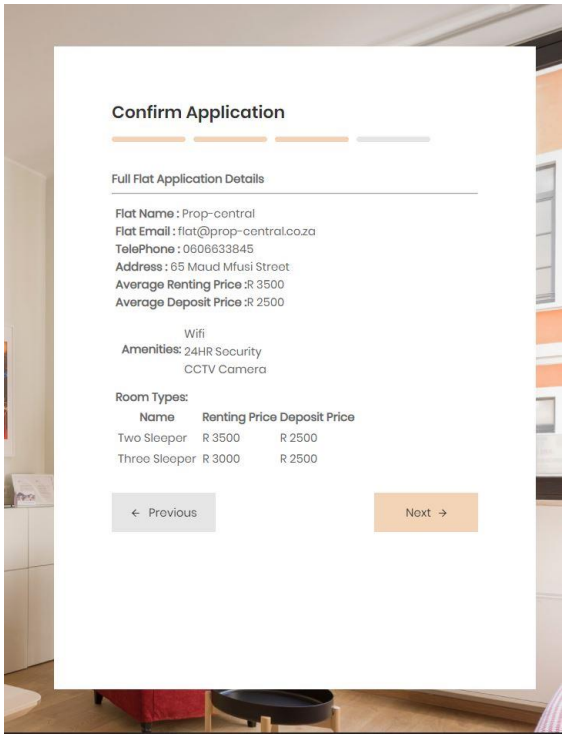

After clicking on next, the next step is to fill in the rent prices based on the room types that you have selected for you flat. From the example the Two sleeper rent is R3500, and deposit is R2500 then Three sleeper rent is R3000, and deposit is R2500.

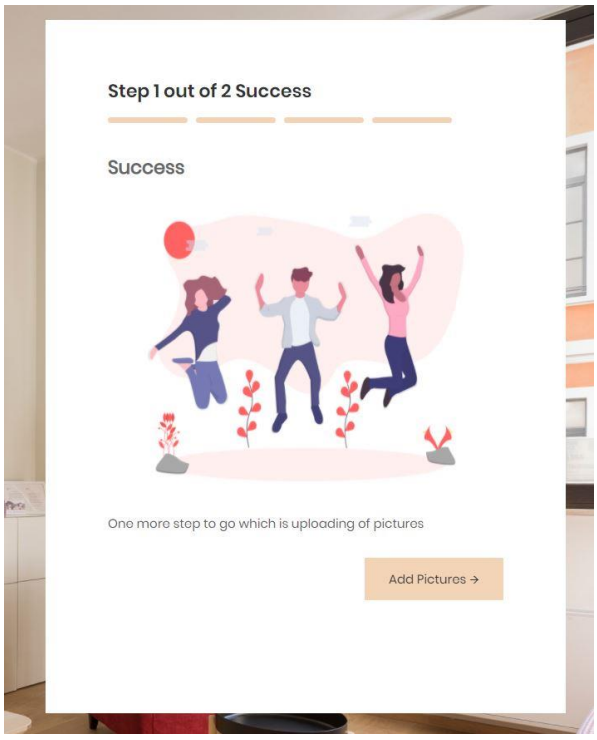

After you are done filling up your flat rent prices click on next.

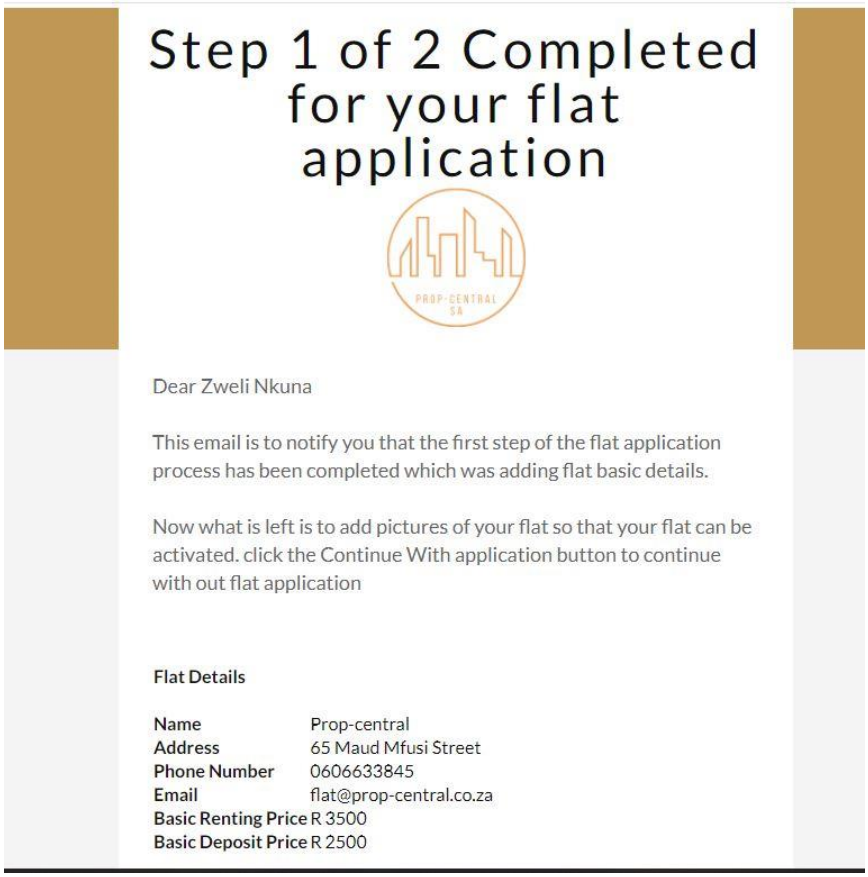

Subsection 1.1c. (Confirmation)

In this subsection you must confirm that all the information that is displayed is correct, if it is correct you must click on the next button then the success page will show up.

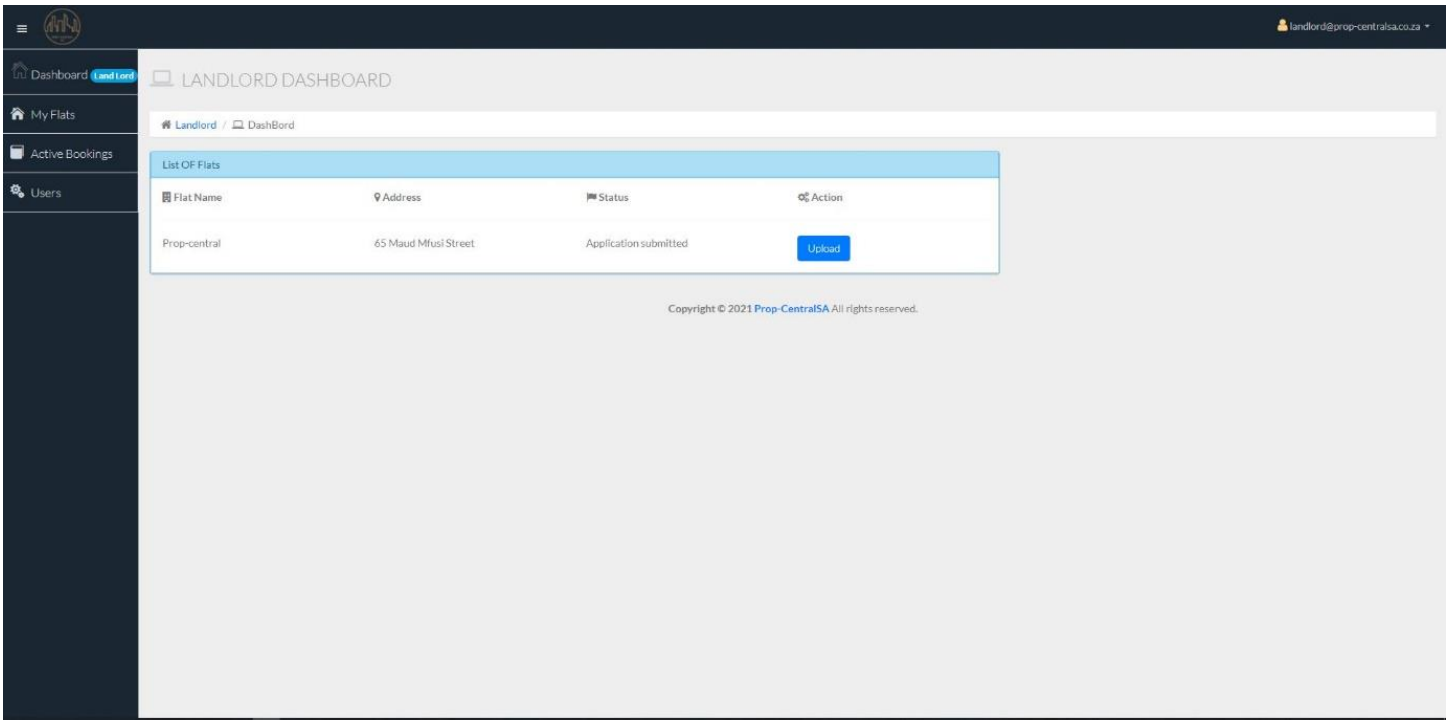

You will also receive an email confirming that you have finished you first step of the flat application process. The email looks like the one in the image bellow.

SECTION 1.2(UPLOAD FLAT IMAGES)
